三、完形填空（本大题共 5 分，每小题 0.5 分）

Why do children go to school? You may 1 they go to learn languages, P.E., history, science and other 2. But why do they learn these things?

We send our children to school to 3 for the time when they will grow up and will begin to work for 4. Nearly everything they study at school is useful in their life. But is that the 5 reason why they go to school?

There is more in education(教育) than just learning facts. We go to school to learn 6 to learn. In this way, when we 7 school, we can still go on learning. If a man really knows how to learn, he will always be successful(成功的). When he has to do something 8, he will teach himself how to do it in the best way. If the person doesn't go to school, he may do it 9. So, we go to school not to learn languages, maths, geography, etc., but to learn the 10 to learn.
